## BOOK SYNOPSIS

The core of the ground-breaking, three text edition, this self-contained, free-standing volume gives readers the Second Quarto text (1604-5) and includes in its Introduction, notes and Appendices all the reader might expect to find in any standard Arden edition. As well as a full, illustrated Introduction to the play's historical, cultural and performance contexts and a thorough survey of critical approaches to the play, an appendix contains the additional passages found only in the 1623 text.
