## BOOK SYNOPSIS

A fun, fast, portable review of pharmacology for the USMLE Step 1 Written by former medical students at Yale University, LANGE Pharmacology Flash Cards, Fourth Edition offer concise, yet complete coverage of the subject. Each card covers a specific disease or drug, with high-yield facts in bold. Every card also includes a clinical vignette on the flip side which helps students answer the question “when is this medication the answer in real-world clinical practice?” · 200 two-sided cards in the deck · Essential for board review and coursework · Created by medical students for medical students · Clinical vignettes show students how important concepts relate to real-world practice
