BOOK SYNOPSIS

You'll find the practical guidance you need to transition smoothly into the managed care environment. You'll learn the pros and cons of practicing in a managed care setting, the daily life of managed care physicians, the role of managed care in medical education and health care reform. Discover how to take advantage of new opportunities and avoid pitfalls, balance cost consideration with clinical decision-making, and understand the case mix systems most frequently used in managed care. Written almost entirely by physicians, *The Physicians Guide to Managed Care* is a must for any physician interested in meeting future challenges.
